

## THE TEAM MOM

Here is a list of the duties most often required of the Team Mom.

- Copy and distributing practice and game schedules.
- Coordinate who will bring the drinks and snacks for each game.
- Start the phone tree in case of changes in practice time, location or cancellation of practices/games.
- Stay organized. Be sure to have a calendar available for team dates as parents will often call and ask for time and dates of games or practices since they have lost their own schedule.
- Coordinate with photographer for team pictures  
Use Herman Allday – 433-1911 He will make appointment to fit your team
- Coordinate concession stand duty  
Coaches will be given times. Need 2 to 3 persons to run stand during your assigned time.
- Coordinate team awards
- Use Favor Photography & Awards (<http://www.favorawards.com>) -  
- Theresa Westman at 937-0365
- Decide where and what type of team party the team will have after the season.

What will you get in return?

- You will get to be a part of the team.
- You will get the coach's undying devotion.
- Your child will get to see a real role model in action.

Note: You may become a lightning rod for comments about the coach or coaches. This is not part of the Team Mom job description so don't put yourself in the position of a go-between for the parents and the coaches. You are a Team Mom, not the team manager.

If problems cannot be solved contact Dave Werdung or Dave Kemp.
